

**REMARKS**

Claims 1 is amended by incorporating pending claims 5 and 6. Claims 5 and 6 have been cancelled. No new matter is being added.

*Allowable subject matter*

Claim 6 stands objected to as being dependent on a rejected base claim, but would be allowable if placed in independent form. Appreciation is expressed for the indication of allowability of this claim. New independent claim 1 cites the subject matter of claim 6 in independent form. Accordingly, the objection raised in the Office Action is met and claim 1 is submitted to be allowable.

Because of the above, the application is now believed to be in condition for allowance, and the Examiner is cordially invited to issue a notification of allowance.

Respectfully submitted,
